

CAROLINAS COLLEGE OF HEALTH SCIENCES

Clinical Laboratory Sciences

Medical Laboratory Science Program

The School for Clinical Laboratory Sciences welcomes applications from all qualified individuals who wish to pursue a career in Medical Laboratory Science. Admission to the program is competitive and meeting the minimum requirements does not guarantee an applicant a place in the program; it places an applicant in the selection process. Qualified applicants are ranked according to cumulative GPA, math/science GPA, three references on CCHS forms, and on-site structured interview. To be considered in the selection process, qualified applicants will be required to indicate the ability to meet the program's essential functions. The highest-ranking applicants are offered a position in the program. Send the completed application, application fee, sealed official college transcripts and the 3 references in sealed envelopes in one packet if possible to expedite the application process.

Send completed application packet to:

Carolinas College of Health Sciences
Attn: Admissions
1200 Blythe Blvd
Charlotte NC 28203

Application Deadline is the 1st of June. First preference will be given to applications received by the deadline. Applications received after the deadline will be considered on a space available basis. Qualified applicants not admitted to the program may be placed on an alternate list.

Please see the application checklist to ensure you have completed all items needed for admission. The faculty and staff are excited about your interest in our college and in the Medical Laboratory Science program. We wish you luck during the application process. If you have any questions regarding the application process, the program, or the college please feel free to contact any of our admission advisors listed below.

Admission Requirements

Minimum admission requirements for the program must be submitted before application can be considered.

If the application packet is incomplete, the application will not be considered in the selection process:

Complete the attached application and submit a non-refundable \$50 application fee

Submit official college transcripts from all post-secondary institutions (for foreign transcripts see International Students below). **A minimum of 16 semester hours in biology and 12 semester hours in chemistry must be completed by date of application.** A minimum 2.5 cumulative college GPA and a minimum 2.5 science/math GPA are required. Bachelor's degree and all prerequisites must be completed by the program's start date.

Prerequisites: Baccalaureate degree in biology, chemistry or related science. Required courses include microbiology with lab and immunology, organic chemistry or biochemistry, and a course in statistics.

Note: Courses in microbiology, immunology, organic or biochemistry must be updated if not completed within the last five years.

Three references using the Carolinas College Reference Forms. The references must be from college instructors, college advisors or employers. References must be from a person who resides in the United States.

International Students

Applicants must be citizens of the United States or hold permanent resident status. Carolinas College of Health Sciences does not authorize student visas. Applications with foreign transcripts are required to present an official transcript evaluation from one of the agencies listed below which would include all the courses attempted, credit, and grades earned and verify the U.S. baccalaureate degree equivalency. Additional approved agencies may be found at www.ASCP.org.

Community Standards

In an effort to maintain a safe learning community, we ask the following questions of all applicants. We cannot accept your application unless you answer these questions. A "yes" answer to one or more of the following questions does not necessarily preclude your being admitted. However, your failure to provide complete, accurate, and truthful information will be grounds to deny or withdraw your admission, or to dismiss you after enrollment.

- Yes** **No** We are committed to an alcohol-free, drug-free, and tobacco-free workplace. Students found in violation of this standard may face disciplinary action including dismissal. Students must submit a negative drug screen prior to enrollment and are subject to random drug screens throughout enrollment. Is there any reason why you would not be able to produce a negative drug screen prior to enrollment?
- Yes** **No** Applicants are required to submit a consent form provided by the College upon acceptance and must be cleared by Carolinas HealthCare System for participation in clinical education. Have you ever been convicted of any criminal violation of law, or are you now subject to a pending investigation or charges of violation of criminal law? Examples may include, but should not be limited to: driving while impaired, worthless checks, assault, driving while license is suspended, disorderly conduct, credit card fraud, embezzlement etc...
You must notify the Admissions Coordinator or Dean of Student Services of any criminal charge or conviction that occurs at any time after you submit this application.
- Yes** **No** Applicants who are known to be in default on a student loan will not be admitted to a health care program. Are you currently in default on any type of student loan?
- Yes** **No** Applicants must be eligible for clinical access at a Carolinas HealthCare System facility. Is there any reason why you would not be eligible for clinical access?

Read, Sign and Date the following statement

I certify that the information provided on this application is accurate, complete and truthful. I understand that any failure to provide accurate, complete, and truthful information on this application will be grounds to deny or withdraw my admission, or dismiss me after enrollment. I have read the essential functions of the program to which I am applying and can perform the functions with reasonable accommodations, if warranted. I further understand that I am required to notify the admissions office if I change my email address or other contact information.
