REQUEST FOR TREATMENT AND AUTHORIZATION FORM

REQUEST FOR TREATMENT. The Hospital maintains personnel and facilities to assist my physicians in providing me medical care, and I authorize the Hospital personnel to perform on me the care ordered by my physicians. I understand that I have the right to be informed by my physicians of the nature and purpose of any proposed operation or procedure and any available alternative methods of treatment, together with an explanation of the risks associated with each of them. This form is not a substitute for such explanations, which are the responsibility of my physicians to provide according to recognized standards of medical practice, and I acknowledge that the Hospital and its personnel are not responsible for providing me this information. I choose to receive the services even if my insurance plan may not cover or continue to cover specific services, including the specific services rendered during the admission.

ASSIGNMENT OF INSURANCE BENEFITS. I/we hereby assign all my rights to The Charlotte Mecklenburg Hospital Authority ("CHS") under any policy of insurance, including but not limited to, major medical insurance, hospital benefits, sick benefits, injury benefits due to me because of liability of a third party, such as auto insurance or Workers Compensation insurance, and the proceeds of all claims resulting from the liability of the third party payable by any person, employer or insurance company to or for the patient up to the full amount of the hospital bill, and hereby authorize direct payment to Carolinas Medical Center and/or my attending physicians of all benefits to which I am entitled. This assignment includes payment of hospital, surgical, and medical benefits to the Charlotte Radiological Group, P.A., Southeast Anesthesia Associates, P.A., Charlotte Pathology Group, P.A., Southeast Radiation Oncology Group, P.A., The Charlotte-Mecklenburg Health Services Foundation, Inc., and Piedmont Emergency Medicine Associates or any other professional groups contracted by CHS for professional services they may perform for me. In addition, I/we further warrant and represent that any insurance which I/we assign is valid insurance and in effect and that I/we have the right to make this assignment. I understand that I am financially responsible to the Hospital, my physicians, and those entities named in this assignment for amounts due that are not covered by this assignment. For example, I know that sometimes insurance companies will not pay for services ordered by my physician and which I have authorized. I understand that these payment denials occur for a variety of reasons. My insurance policy may not include the particular service as a benefit. In other cases, a service will not be covered by my insurance company because it decides the service is not necessary, despite my physician's decision to order the service. In any event, even if a service is not covered by insurance, I agree to pay for all charges for all services rendered, including the specific services rendered during this admission. I further agree that in the event benefits paid under this assignment or any other amounts paid by me/us or in my/our behalf exceed the amounts due the Hospital, my physicians, or those entities for services in connection with this hospitalization, any such excess amount may be applied to any other indebtedness that I or my spouse or any child for whom I am financially responsible may have to the Hospital or any other facility or entity related to CHS, my physicians, or these other entities.

AUTHORIZATION FOR RELEASE OF MEDICAL INFORMATION. I authorize the Hospital and my physicians to furnish any medical information relating to my hospitalization or treatment to my insurance company, governmental or charitable agencies and their agents, my employer and professional review organizations with whom I may have insurance coverage or who may be assisting in payment of my hospital and medical care. I also authorize the Hospital and my physicians to release any medical information to any licensed physician or medical facility to which I may be referred to transferred for further medical care. In addition, I authorize the Hospital and my physician to release any medical information necessary to prove the Hospital's damages in any legal proceeding brought to enforce any unpaid balance on any of my accounts. This authorization will expire two (2) years from the date shown below, and I understand that I or y legal representative may revoke this authorization at any time, except to the extent that: (i) action has already been taken, or (ii) in the event of my death, the release of medical information is necessary to verify any charges incurred by me.

AUTHORIZATION TO RELEASE MEDICARE AND MEDICAID INFORMATION. I certify that the information provided by me in applying for payment under Titles V, XVIII and/or XIX of the Social Security Act is correct. I understand that health care services paid for under the Medicare, Medicaid and Maternal and Child Health programs are subject to review by professional organizations, which may recommend denial of payment if my medical condition does not warrant continued hospital care. I authorize those agencies responsible for determining eligibility under these programs to provide to the Hospital any information relating to the determination of my eligibility. I request payment of benefits under these programs be made to the Hospital and my physicians on my behalf.

PAYMENT GUARANTY. I (patient and/or responsible party/ies) agree to pay all charges for services rendered by the Hospital and my physicians or other providers during my hospitalization or treatment. This guaranty includes charges for services not covered by my insurance, regardless of the reason that insurance coverage is denied. If I fail to pay all charges and the Hospital or my physicians use an attorney to collect unpaid charges, I agree to pay the reasonable cost of the attorney's services in addition to the unpaid charges.

PERSONAL PROPERTY. The Hospital will hold any money, valuables or other personal property in my possession until I am able to return them home for safekeeping. I understand the Hospital is not responsible for money, valuables and other personal property retained in my room and has no liability for their loss.

RELEASE OF INFORMATION. I authorize the Financial Counseling staff of the Hospital to assist me in the processing of any benefits application, including Medical Assistance, Aid to Families with Dependent Children, or Special Assistance, initiated for the

Patient within six months of the date of this authorization. The Financial Counselor may have access to and copy any records or information to which I would be entitled. I authorize and direct the County Department of Social Services to provide such information to the Financial Counselor orally via telephone. I authorize and consent to referral to the County for benefits by use of any appropriate referral form. I request that if my benefits are approved or denied, a copy of the approval or denial be attached and returned with the referral form. The doctrine of informed consent has been explained to me. I acknowledge that this consent is voluntary and that it may be revoked by me at any time except to the extent that action has already been taken in reliance on it. Unless otherwise revoked, this consent shall be valid for one year from the date of authorization or until final determination of any benefits application as described above, whichever is later.

I have read the foregoing request and authorization in its entirety and agree to be bound by all terms and conditions herein. Witness my (our) hand(s) and seal(s) below.

AUTHORIZATIONS AND REFERRALS. To avoid decreased insurance benefits, you are advised to check with your primary care physician or insurance company prior to services being rendered. If your insurance plan requires an authorization or referral, it is your responsibility to ensure this has been completed. You may have to contact your primary care physician or your insurance company directly to arrange for an authorization or referral.

IN-OFFICE X-RAYS. The X-ray machine in this office is owned and operated by Carolinas Medical Center. **Charges for x-rays are billed as "hospital outpatient services".** Your insurance may or may not have higher deductibles for services billed in this manner.
