

Get care from home, 24/7

To help prevent the spread of coronavirus disease 2019 (COVID-19), staying home as much as possible is a good idea. With our virtual care options, you can be screened for COVID-19 or be evaluated for other minor illness, and get the medical care you need from the comfort of home.

Choose the option that's easiest for you:

COVID-19 Risk Assessment – FREE for all ages in NC or SC

Online assessment

Answer a few questions to get next steps for care. Available 24/7 at AtriumHealth.org/Coronavirus.

Phone assessment

Review your symptoms with a healthcare professional by phone and get next steps for care. Available 24/7 at 704-468-8888.

eVisit – FREE for Atrium Health patients ages 18+ in NC or SC*

Get care through a secure message. Available 24/7 in MyAtriumHealth or at AtriumHealth.org/eVisit.

Virtual Visit – For all ages in NC, SC and GA

Have a face-to-face video chat with a trusted healthcare provider. Available 24/7 at AtriumHealth.org/VirtualVisit.

**eVisits for coronavirus and respiratory symptoms are billed at no cost to the patient. All other eVisits are \$10.*

For more information about COVID-19 and your care options, visit AtriumHealth.org/Coronavirus.
