2. He/she shall assist in the implementation of the health care plan and the management of patients by performing diagnostic and therapeutic tasks as defined and approved by the Board, and authorized under applicable law.
3. For purposes of this form, Allied Health Professional shall mean a "Dependent Practitioner" defined as a health care professional other than physicians or dentists, who is approved by the Board, who is licensed or certified by his/her respective licensing or certifying agencies, and who provides service under the supervision of a physician who is currently appointed to the Medical Staff of Atrium Health.

2. The Allied Health Professional shall perform all privileges in accordance with all laws and regulations pertaining to the scope of practice for his or her health profession. The Allied Health Professional shall wear a nametag identifying him/herself as an Allied Health Professional and introduce him/herself as an Allied Health Professional, and shall at no time imply, state, or lead one to believe that he/she is a physician.

**QUALIFICATION – continued:**

3. The Supervising Physician shall delegate only tasks and procedures to his or her Allied Health Professional which are within or contemplated by the clinical privileges granted to the Supervising Physician by the Medical Executive Committee and the Board of Commissioners and which the Allied Health Professional has been approved to perform. It is understood that the supervision of an Allied Health Professional shall never be transferred to a physician who is not currently a fully appointed member of Atrium Health Medical Staff.
