***If the answer is No, please do not complete this form. Contact the Medical Staff Office at (704) 355-2147 for additional instructions regarding the required proctoring process.**

- Initial appointment** **Reappointment** **Updated DOP** **Request for Clinical Privileges**

To be eligible for core privileges in Allergy and Immunology, the applicant must meet the following qualifications:

- If the applicant is not currently subspecialty certified in Allergy and Immunology by the American Board of Allergy and Immunology (ABAI) or the American Osteopathic Association in Allergy and Immunology, the applicant must:
 1. Provide documentation of successful completion of an ACGME or AOA accredited Allergy and Immunology fellowship training program, within the past five (5) years; **AND**
 2. Verification from the fellowship program director that the Applicant successfully completed the program. Experience must include evidence of current clinical competence during the past two (2) years. The Applicant has the burden of producing information deemed adequate by the Hospital for a proper evaluation of current competence, and other qualifications and for resolving any doubts.

- If the applicant is currently subspecialty certified in Allergy and Immunology by the American Board of Allergy and Immunology (ABAI) or the American Osteopathic Association with Certification of Special Qualifications in Allergy and Immunology, the applicant must:
 1. Documentation of inpatient or consultative services for at least six (6) patients during the past two (2) years; **OR**
 1. Provide documentation of subspecialty certification in Allergy and Immunology from the American Board of Allergy and Immunology or by the American Osteopathic Association (AOA); **AND**
 2. Provide documentation from the Applicant's outpatient practice setting to include five (5) cases of management of drug, environmental, animal, chemical, plant and/or food allergy; two (2) cases of allergen desensitization; and one (1) case of management of Immunodeficiency disorder (e.g., primary immunodeficiency, severe combined immunodeficiency). These must be cases that you have managed in the most recent two (2) years; **AND**
 3. Submission of a Peer Review Evaluation Form completed by one of the Applicant's peers that refers patients to Appointee.

Print Name _____

NOTE 1: Physicians must apply for “CORE” privileges in order to be eligible for clinical privileges in the specialty of Allergy & Immunology at any facility within Atrium Health.

NOTE 2: “CORE” privileges cannot be amended or altered in any way.

NOTE 3: Please note that the exercise of certain privileges enumerated herein is necessarily limited by the operational, and resource constraints of the facility. All procedures must be performed within a clinical setting with the capabilities and organizational structure required to provide appropriate support.

Please check appropriate blocks when applying for privileges:

CMC	Pineville	University	CR	Lincoln	NorthEast	Union	Stanly	Anson	Cleveland	Kings Mountain		ALLERGY AND IMMUNOLOGY CORE PRIVILEGES
