

## **TO BECOME A VOLUNTEER WITH OUR FACILITY**

The following immunization records need to be obtained and brought to employee health prior to you starting:

### **All volunteers should bring the following**

- Any and all **TB** skin test results in the past two (2) years
- Tetanus – if given in the last 2 years **and** if you are under 65 years old
- **Measles, Mumps, Rubella**

### **Evidence of Immunity to MMR:**

1. Birth before 1957 one dose of MMR
2. Documentation of two doses of MMR
3. Laboratory evidence (titers) of all three diseases
4. Documentation of physician diagnosed MMR

### **Suggestions of possible sources of records:**

1. High School Transcript
2. College Health Records
3. Pediatrician Records
4. Health Department of the county where you grew up
5. Previous employers, especially health care provider

**\*\*\*If you do not bring your records, required immunizations will be given or blood will be drawn before you can start volunteering with us. If you refuse either of these, you will not be cleared to begin.\*\*\***

If you have any questions regarding this information, please call the

**EMPLOYEE HEALTH NURSE  
704-667-1275**

You may fax immunizations to 980-667-1271
