Dear Parent/Guardian,

Welcome to *Developmental and Behavioral Pediatrics of the Carolinas*. We would like to introduce you to your future care team. At your first evaluation you and your child will meet your child's Developmental and Behavioral Pediatrician. At your future visit, you will meet your child's Developmental and Behavioral Advanced Practice Provider. This care team will collectively develop a treatment plan specific to the needs of your child and provide access to the best Pediatrics Developmental and Behavioral Services.

# **Concord Provider Team**

Joseph Stegman, MD Mark Clayton, MD Shruti Mittal, MD George "Wes" Hatley, PA-C Angela Noone, MSN, CPNP

# **Charlotte Provider Team**

Yasmin Senturias, MD
Tsehaiwork "Sunny" Fenikile, MD
Shruti Mittal, MD
Monique Sutton, MSN, CPNP
Ryan Grimes, MSN, CPNP

Enclosed you will find our new patient information and assessment inventories that must be completed and returned prior to an appointment being scheduled. Please be sure to thoroughly read and complete the contents of this packet. A checklist is enclosed for your convenience. Some pages may be double-sided. If you need help completing the packet, please contact your PCP or our clinic.

Please note, if we do not receive a completed packet this will delay the packet review and scheduling process. With the increased needs for our services and the large number of referrals we receive monthly, please note a fully completed packet, once received by the practice, will take an additional 4-6 weeks to review. At that time, you will be contacted by one of our teammates to schedule your appointment.

Please mail, fax, or drop off your completed packet to our Concord Office:

301 Medical Park Drive Ste 202B Concord, NC 28025 Office (704) 403-2626 Fax: (704) 403-2699

All referrals are time sensitive. Please return as soon as possible. The sooner we receive a completed packet the sooner we can place it in review. If you need assistance completing the packet, please call our office at 704-403-1653.

For more information about our practice, please visit our website:

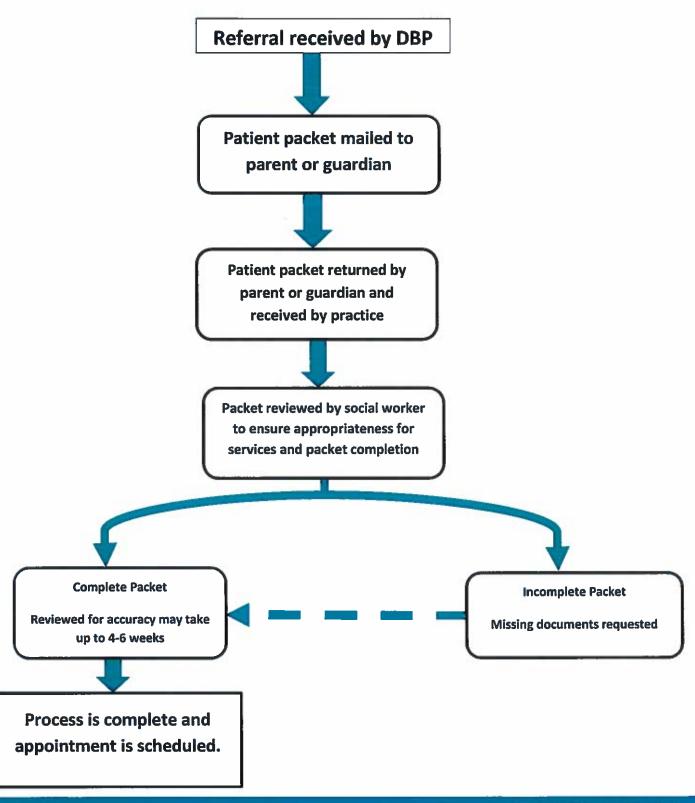

<a href="https://atriumhealth.org/locations/developmental-and-behavioral-pediatrics-of-the-carolinas">https://atriumhealth.org/locations/developmental-and-behavioral-pediatrics-of-the-carolinas</a>

Thank you for allowing us to participate in your child's health care needs. We look forward to meeting you.

Yours in Health Care, Physicians and Care Team of Developmental and Behavioral Pediatrics of the Carolinas

# Developmental and Behavioral Pediatrics of the Carolinas Referral Process

# Developmental & Behavioral Pediatrics of the Carolinas.

# Making the Most of Your Visit

To ensure a thorough and productive evaluation of your child, we request to you bring only your child scheduled for the visit. Please refrain from bringing the patient's siblings or other children to the appointment. If you must bring siblings, we kindly ask that you bring a responsible adult to accompany them in the waiting room during this time. This limits distractions and allows us to focus on your concerns for your child.

Due to the high volume of patients requiring our specialized services, our clinic has established the following guidelines regarding cancellations, no shows, and late arrivals. The policy is as follows:

# Cancellations & No Shows

- 1. Please contact us for cancellations within 24 hours of the scheduled appointment time. This allows the office to schedule another patient in need of an appointment.
- 2. Appointments not cancelled within 24 hours or failure to attend a schedule appointment will be considered a "no show"
- 3. Patients with Three (3) no show appointments within a 12-month period are subject to dismissal from the practice.
- 4. Patients with **Two 2 no show** appointments for initial evaluations (consults) will result in the dismissal of the patient's referral.

# **Late Arrivals**

1. Patients who arrive <u>10 minutes</u> after their scheduled appointment time will be considered late. As the discretions of the provider, patients may be seen with a reduced visit time or may be required to reschedule their appointment.

We appreciate your cooperation and look forward to meeting you and your child.

704-403-2626

# PAPERWORK CHECKLIST

We have enclosed this paperwork checklist to help you with your packet. To avoid delays in scheduling an appointment, please submit ALL items on the list that is relevant to your child. The below items are requested so that our providers may complete a thorough evaluation of your child. Please be aware that the provider may request additional evaluations before or after the initial consult for diagnostic clarification.

Please review front and back of each document to ensure they are complete.

	Family Information Sheet Patient History Forms

# Parent Rating Scales

Child Ages 6–11

Cecil R. Reynolds, PhD • Randy W. Kamphaus, PhD

Child's Name	Your Name
First Middle Last	First AU Last
Date Birth Date Month Day Year Birth Date	Your Gender  Male  Female
School Grade	Your Relationship to Child Mother Father Guardian
Child's Gender ☐ Male ☐ Female Age	DOther
	Do you have concerns about this child's:
	(a) Vision? Y N
	(b) Hearing? Y N
	(c) Eating habits? Y N
Instructions	How to Mark Your Responses
This form contains phrases that describe how children may act. Please	Be certain to circle completely the letter you choose:
read each phrase and select the response that describes how this child has behaved recently (in the last several months).	N S (D) A
Select N if the behavior never occurs.	If you wish to change a response, mark an X through it and circle your new choice, like this:
Select S if the behavior sometimes occurs.	N (S) (A) A
Select O if the behavior often occurs.	
Select A if the behavior almost always occurs.	Before starting, be sure to complete the information above these
Please mark every item. If you don't know or are unsure of your response to an item, give your best estimate. A "Never" response does not mean that the child "never" engages in a behavior, only that you have no knowledge of it occurring.	instructions.

(a) Vision? Y	N_	.24			NVI N	mt g
(b) Hearing?	Y N	z =		9/4		W

### Instructions

This form contains phrases that describe how children may act. Please read each phrase and select the response that describes how this child has behaved recently (in the last several months).

Select N if the behavior never occurs,
Select S if the behavior sometimes occurs,
Select O if the behavior often occurs,
Select A if the behavior almost always occurs,

Please mark every item. If you don't know or are unsure of your response to an item, give your best estimate. A "Never" response does not mean that the child "never" engages in a behavior, only that you have not observed the child behaving that way.

# **How to Mark Your Responses**

Be certain to circle completely the letter you choose:

N 5 @ A

If you wish to change a response, mark an X through it and circle your new choice, like this:

N (S) (B) A

Before starting, be sure to complete the information above.

	Remember: N - Nevar :	, :=	Su	nn	etime	5	O = Often A = Almost always				
1.	Pays attention	N	5	0	A	31.	Accepts people who are different from his or her self	N	S	0	A
