Atrium Health Levine Children's:
Here for Children in North Carolina

~500 dedicated pediatric beds across N.C.'s largest pediatric network	**96 of 100** N.C. counties served	**19 years** nationally ranked by U.S. News & World Report, every year since Levine Children's Hospital opened	**250+** children cared for on a typical day at Levine Children's Hospital, more than any other N.C. hospital
900+ pediatric providers	**140+** pediatric locations	**35+** pediatric subspecialties	**~0.1%** of Levine Children's patients need referrals outside North Carolina

Primary care, virtual care and behavioral health programs are all backed by the academic strength of **Wake Forest University School of Medicine** and with seamless transition to adult care within **Atrium Health.**

The most complex cases are treated here

- **2** Level I pediatric trauma centers, including N.C.'s first ACS-verified (Brenner)
- **2** pediatric ECMO programs
- Charlotte's **only** pediatric heart surgery program
- State's **largest** pediatric and cardiac ICU (44 beds)
- State's **only** CARF-accredited inpatient pediatric rehab program
- Seamless connection to the Atrium Health Wake Forest Baptist burn center, treating all ages
- Offering pediatric heart, kidney and liver transplants
- MIBG therapy for childhood cancer and a FACT-accredited bone marrow transplant program
- NORD-accredited Rare Disease Center of Excellence, one of **fewer than 50** nationally
- Specialized sickle cell clinic, having completes **400+** cellular therapy infusions
- Founder of **ARISE Cancer Consortium™**, bringing clinical trials and survivorship to kids across N.C. and S.C.

Care that reaches families where they live

1st pediatric hospital-at-home program in the nation	**24/7** virtual urgent care, plus virtual pediatric primary care	**~500** schools with virtual visits, reaching counties with no pediatrician	**~22,000** children and teens in behavioral health care in 2025 (~2,000 inpatient, 20,000 outpatient)

Through inpatient care, outpatient programs, school-based services, virtual care and community partnerships, Levine Children's is helping ensure mental health is treated with the same urgency and importance as physical health.

Meeting growing demand by investing

$450M+ invested in children's care over the past 20 years	**$387M** additional into expand Levine Children's Hospital, funded by Atrium Health, not taxpayers	**$340M** recently invested in behavioral health, including care for children and teens

Demand is rising: inpatient volume grew **43% in Greater Charlotte** and **34% in Winston-Salem** over the last five years.

Growing North Carolinas pediatric workforce

200+ primary care pediatricians | **~30** new pediatric residents trained each year in Charlotte and Winston-Salem

New fellowships prioritized so more of the doctors we train stay here.

Every pediatrician trained and retained in N.C. means **more care close to home**.

The care North Carolina children need is already here, built program by program over 20 years, and growing with the state. They stay with Atrium Health, and Atrium Health stays with them.
