

Atrium Health

Dear Teen Applicant,

Thank you for your interest in volunteering with Atrium Health's Central Division! The Central Division consists of Carolinas Medical Center, Atrium Health Mercy, and Levine Children's Hospital. Volunteers are an important part of our team and help us in many ways. We appreciate everyone who gives us the gift of their time. Wherever you volunteer, you will make a difference!

Below you will find a checklist of all the important documents required to complete your teen volunteer application. **ALL** items must be submitted **no later than** March 1, 2020. **Incomplete applications will not be considered.**

All applicants must be 15 years old by the start of the program. The teen program will run from the week of June 15 - Friday, August 21. The majority of teen volunteer shifts are 2-4 hours in length, once per week. **You will be required to commit to this minimum schedule.** Teen volunteers will only be allowed to miss two shifts during the 9-week program. (**Mercy teen volunteers will be excused during the week of July 4*).

If your application is selected, you will be contacted for an in-person interview in April. Once accepted into the program, you will also be required to complete a background check, Teammate Health Clearance (including a 2-step TB skin test), and attend a 2-3 hour volunteer orientation in May. Teen volunteers will also be required to attend an educational lunch-and-learn session in July.

Because of the large volume of applications we receive, we are not able to accept everyone into our summer program. We appreciate your interest in volunteering at Atrium Health and value your time in completing this application.

Please use the following checklist to complete your application:

- Completed teen application
- One completed reference from a teacher or coach
- Copy of most recent report card (must have GPA of 3.0 or higher)
- A 250-word essay telling us something personal about *you*. This is often how we get our first impression of you – so tell us something unique or interesting; whatever will make you stand out!

Please return your completed application to the following address:

2020 Central Division Teen Volunteer Program Frequently Asked Questions

What facilities does this application cover?

This application is for Carolinas Medical Center, Atrium Health Mercy, and Levine Children's Hospital.

What about other hospitals (Pineville, NorthEast, University, etc.)?

Those facilities have their own application process for teen volunteers. Please reach out to those facilities to inquire about their process.

When does the program run?

It will begin the week of June 15 and end the week of August 17.

How long is a volunteer shift?

A typical shift is 2 - 4 hours, once a week.

Do I need to set a consistent schedule?

It is very important to keep a set schedule, as our teammates will be putting in a lot of time and effort to prepare for your help and they depend on you to be at your work area consistently.

How much time can I miss?

You are allowed to miss two shifts during the summer program.

What if I have multiple vacations or camps scheduled?

Teen volunteers are allowed to only miss two shifts and we stress the importance of commitment to the program. If you cannot commit to a regular schedule this summer, please consider applying next summer.

What happens if my application is selected?

You will be contacted for an interview, where a volunteer coordinator will meet with you to learn more about you and discuss a possible volunteer position. You will then be given the next steps, which include a health clearance and volunteer orientation.

Do my parents come to my interview? Do they come to orientation?

Your parents may bring you to your interview and wait for you in the lobby, but interviews will be held with a volunteer coordinator and the applicant. This is a great opportunity for our team to get to know you better and serves as a great learning experience. If you are selected for our program, we ask that only the teen volunteers attend the orientation.

What if I have questions?

The Volunteer Services team always welcomes questions! Since we view our teen volunteer program as an educational one, we encourage the teens themselves to reach out to us with any questions or concerns; we have found that when teens – not parents – make these efforts, they gain some insight into preparing for the working world. Teen volunteers are welcome to email cmclchvolunteerservices@atriumhealth.org or call 704-355-2105.
