

Levine Children's Hospital Quality Improvement Coaching Conference (LCH QUICC)

Hilton Charlotte Center City, September 13-15, 2017

Carolinas HealthCare System
Levine Children's Hospital

The 5th annual LCH Quality Improvement Coaching Conference (LCH QUICC) will be held in Charlotte, NC on September 13-15, 2017.

The purpose of the conference is to create an informal environment where neonatal fellows and junior faculty present current quality improvement projects and benefit from collaboration with both QI faculty and participants.

This is an opportunity for intensive QI coaching to advance neonatologists' knowledge and skills in improvement science.

There is an emphasis on QI methodology, data management, and tools.

Through a combination of brief didactics, project presentations, and extensive discussion, participants will work on furthering their QI projects and prepare for future quality endeavors.

Core Faculty

Andrew C. Herman, MD
LCH QUICC Program Chair
Chief Medical Officer
Levine Children's Hospital

Laura Noonan, MD

Model for Improvement

- Project Development
- Aim Statement
- Measures
- PDSA Cycles
- Change Concepts

Data

- Measurement Development
- Baseline
- Outcome, Process, Balancing
- Collection Tools
- Run Charts and Control Charts

Tools and Special Topics

Effective Teams

Spread and Sustain

Fellows and junior faculty (within 7 years of fellowship) from ACGME-accredited Neonatology fellowship training programs are invited to submit projects.

Projects at all stages of development are encouraged for submission. QI novices and/or early projects are welcome to apply.

The informal nature of this meeting allows for ample project development and networking with other engaged neonatal fellows and faculty.

LCH QUICC will be held at the Hilton Charlotte Center City.

Opportunities include additional individual coaching and in-depth lectures, as well as local Charlotte attractions.

This program is based on our award-winning QI curriculum. Hear what a past participant has to say: *"This conference was fabulous! Well organized, practical, informal, and informative. Thank you for the opportunity to attend."*

For more information, see your Neonatology Division or Training Program Director, your Mead Johnson representative, or contact Sarah Mabus sarah.mabus@carolinashealthcare.org.

Application deadline: **May 26, 2017**

Mead Johnson Nutrition will coordinate and fund the cost of travel and expenses for all participants.
