

PolicyTech

The best source for accessing the most recent version of SOPs is PolicyTech. Currently PolicyTech is split into two versions, one for the Southeast and one for the Midwest. See below for navigation instructions to access the updated SOPs in the Enterprise folder for each version.

Midwest PolicyTech

A screenshot of the Midwest PolicyTech navigation interface. At the top, there are three dropdown menus: 'Site' (set to 'All Sites'), 'My Relationship' (set to 'All'), and 'Status' (set to 'Published'). Below these is a search bar containing 'All Categories' and a plus sign. The main list of categories includes:

- [All]
- [1 Advocate Health IL & WI Division]
- [2 Advocate IL Division]
- [3 Advocate WI Division]
- [4 Advocate Health - Enterprise] (indicated by a blue arrow)
- [*Unfiled*] (10)
- Clinical Research - Enterprise (32) (indicated by a yellow arrow)
 - Clinical Research (13) (indicated by a yellow arrow)
 - Job Aides - Resources (18)
 - Research Institute GME (1)

Southeast PolicyTech

A screenshot of the Southeast PolicyTech navigation interface. The list of categories includes:
