

Amplifying Community Partnerships to Advance Health Equity and Research

In Collaboration with Celebrate Research! 2025

Wednesday, March 26th

1:30PM to 4:00PM ET

Bowman Gray Center for Medical Education

Join us for an exciting and thought-provoking event where we will come together to celebrate the power of partnered research and look ahead to the evolving landscape of our community health priorities. This event is an opportunity to reflect on the successes of current research collaborations, deepen our understanding of the principles behind community engagement, and explore the key characteristics that make these partnerships thrive. Please note that this is an in-person event. It will be recorded and distributed across the enterprise.
