

REQUEST FOR APPLICATIONS

Leadership Fellowship Program

Presented by MARCH-CTSI Community and Stakeholder Research Engagement (C&SE) Program

Are you interested in leveraging your unique strengths and further developing your leadership skills while strengthening strategies that build meaningful partnerships between research, community-driven programs and the populations we serve? Then start your leadership journey and empowerment of communities here at the MARCH-CTSI Community Stakeholder Research Engagement (C&SE) Program.

Benefits:

- ✓ Learn and develop effective leadership strategies for impactful community-based research.
- ✓ Network with leaders and potential collaborators at Wake Forest University School of Medicine and across local Community-Based Organizations.
- ✓ Contribute to ongoing scholarship and dissemination of findings from C&SE initiatives.
- ✓ Includes compensation equivalent to 1% effort.

Who Can Apply?

- ✓ Faculty appointment at Wake Forest University School of Medicine or Atrium Health.
- ✓ Applicants are required to be a MD/DO Researcher or hold a PhD degree, with a minimum of two years of relevant research experience while possessing strong communication, computer skills and scientific expertise.

Application Deadline:

Friday, February 27th 2026
at 11:59pmET
