THE CTSI TEAM SCIENCE PROGRAM PRESENTS:

2027 Translational Science Leadership Academy

for Faculty Research Leaders

The Translational Science Leadership Academy provides Faculty Research Leaders with training and essential tools needed to effectively lead their research teams.

Topics Include:

- Introduction to leadership
- Navigating conflict in decision-making
- Growing through feedback
- Understanding work styles
- Leveraging team differences

Online sessions will be held the 3rd Wednesday of every month

February 2027 – June 2027
(2/17, 3/17, 4/21, 5/19, 6/16)

8:30AM – 10:30AM ET

Administered By:

Amy Wallis, PhD
Human Assets Strategy Consultant
and Executive Advisor
Wallis Consulting
Leadership Academy Administrator

The Academy meets 5 times, each focused on key leadership topics. Successful academy completion will require virtual attendance and participation (cameras ON) in at least 4 of the 5 academy sessions.

Application Deadline:
Friday, January 15, 2027
