

CALL FOR POSTER ABSTRACTS

The 9th Annual Research Forum and Poster Presentation
April 14th, 2011

Carolinas Medical Center-NorthEast

9:00am-2:00pm

Hamrick Theatre/Roper Commons

**You are invited to submit an abstract for poster presentation at
The 9th Annual Research Forum and Poster Presentation**

The following types of projects are being accepted for poster presentation:

- **Research project:** A poster presentation that reflects a completed research project or research in progress, demonstrating background research, proposal, and proposed methods.
- **Performance Improvement (PI) project:** A poster presentation that reflects a completed PI project or a PI project still in progress.
- **Review of Literature:** A poster presentation highlighting a review of scholarly nursing and/or healthcare research literature that adds to the body of clinical evidence-based practice.

Requirements:

- Projects must be in progress demonstrating background research, proposal, and proposed methods, or completed projects completed within the last 3 years.
- Projects *in progress* must have data available for preliminary analysis at the time of the submission.
- Length of abstracts must be limited to the one-page, typed abstract submission form.
- Posters should be presented on a tri-fold black or white poster board. **Poster set-up will begin at 8am on April 14th in the Roper Commons.**

Purpose of the Research Forum:

- To promote sharing of creative clinical innovations and research among students, nurses, and other healthcare professionals.
- To showcase research or quality improvement projects that positively affect patient care outcomes.
- To provide a forum for beginning research endeavors by students, nurses, and other healthcare professionals, and to foster their professional growth
- To enhance collaborative research efforts in the organization and regionally.
