DEGREE AUDIT REPORT FOR ADN Program (Effective Fall 2007)

The Degree Audit is based on the requirements for the Program and the Catalog Year the student entered the College. This evaluation is provided for advisement. It is not the student's official College academic record. The transcript is the official record of completed work. It is the student's responsibility to complete all degree/certificate requirements and to know the College's requirements for graduation. This is not the responsibility of the student's advisor. Please report any corrections to the office of the registrar. Federal law prohibits transmittal to a third party.
