NURSE AIDE I TRAINING PROGRAM

Course Number: EEC 100

The Nurse Aide I (NA I) Training Program at Cabarrus College provides the entry-level nurse aide student with the fundamental nursing skills essential for providing patient care services under the direct supervision of a registered nurse.

The 130-hour curriculum taught by state approved Registered Nurse educators follows the guidelines set forth by the NC Division of Health Service Regulation. The course provides classroom, skills lab and clinical experiences consistent with current standards of practice and provides the knowledge and skills required to practice as a NA I. Clinical experiences take place in both Long-Term Care and Inpatient Hospital Settings. Upon satisfactory completion, participants are prepared to take the state approved written and skills competency examinations to be placed on the NC NA I Registry.
