

Anatomy and Physiology Refresher Course

Course Description: This online, non-credit refresher course explores system-based basic human anatomy and physiology. The course is designed as a 16-week course (new module and test every 2 weeks). Participants will access the course via Carolinas College of Health Sciences information Portal (online teaching platform).

Who should enroll? Open to anyone wishing to review basic anatomy and physiology.

Text: Essentials of Anatomy and Physiology, 7th Edition; Elaine N. Marieb

What You Will Learn:

Upon completion of this course, you will be able to

- Identify structural components of the human body at different levels of organization.
- Describe basic physiological processes of the human body.
- Understand how the body systems respond to physical activity, disease, and aging.
- Explain how regulatory systems control functions so that homeostasis is maintained.

Course Confirmation:

You will receive course confirmation with instructions on how to log into the course Information Portal one week prior to course start date.

Course Fee: \$199.00

Continuing Education Credit:

This course has been approved for 2.5 CEUs (equivalent to 25 class hours) by Carolinas College of Health Sciences. It does not offer college credit hours.
