

Healing Touch Level 3

Course Description: Healing Touch is an energy-based therapy in which practitioners consciously use their hands in a heart-centered and intentional way to support and facilitate physical, emotional, mental, and spiritual health. The goal of Healing Touch is to restore balance in the human energy system. This is a program offered by the national Healing Touch Program. (www.HealingTouchProgram.com)

Level 3 teaches the "art" of being a healer. This class is for students who desire more in-depth skills in Healing Touch and have successfully completed Level 1 and Level 2. This course includes: development of Higher Sense Perception (HSP), advanced sequencing of healing techniques, working with guidance, self-healing and self-development.

Who Should Enroll? Healing Touch is a nursing based continuing education program for registered nurses, physicians, body therapists, counselors, other health care professionals, and individuals desiring an in-depth understanding and practice of healing work using energy-based concepts.

Upon completion of this course, you will be able to

- Relate Healing Touch Level 1 and 2 techniques as a review
- Describe advanced healing practices and how using these will positively affect your life and practice
- Demonstrate healing experiences from three perspectives: practitioner, client, and observer/coach
- Describe new energetic points within the physical body and why these are important to you as a healer
- Perform a full healing sequence using new techniques, including: Chelation, Spinal Cleansing and working at the 5th, 6th, and 7th levels of the subtle body
- Practice connecting to universal energy and working with guidance
- Practice Intuitive skills using Etheric Template Clearing
- Demonstrate Lymphatic Drain, a technique critical in energetically assisting the lymph system in relieving congestion and generalized soreness and aches. This technique is recommended for certain immune system disorders and for use with cancer patients
