CELEBRATING OUR HISTORY

Carolinus College
of Health Sciences

HOMECOMING WEEKEND

OCTOBER 9TH -11TH
2015

PRESIDENT'S NOTE

Party of the Century? You Bet!

How often can you say you attended the party of the century? Now is that moment and you will not want to miss it!

You see, Charlotte Memorial Hospital (CMH) was founded in 1940. Yep, that's exactly 75 years ago. And Carolinas HealthCare System is planning one heck of a party to celebrate! On Saturday, October 10, over 10,000 members of the Charlotte community will be invited to our hospital campus for tours, games, food, athletic events, family friendly fun, etc. Our CEO has announced his retirement so this party will also celebrate all that he – and CHS have accomplished during his 33 years with the System. Party of the century? You bet! And YOU are invited. In addition to the community event, CCHS will have its own celebration before, during, and after – just for you!

The history of CMH is your history as well. From the beginning, CMH affirmed education as part of its mission. First up: A school of nursing. The first students entered in 1941 but the foundation was laid in '40, so we celebrate 1940 as the historical birth of Carolinas College of Health Science. Over the next 25 years educational programs were added in Med Tech, Surg Tech, and Rad Tech. They weren't under one educational umbrella like now, but their roots all trace to that important 1940's benchmark.

The original school of nursing closed in 1967 as community colleges entered the educational scene and frugal hospital administrators counted on the state to fund preparation of the healthcare workforce. It only took 20 years to realize that

wasn't such a great idea, and in 1990 a new school, this time founded on an associate degree model, opened its doors. So that makes this the 25th birthday of CMHA School of Nursing. That school spread its wings and by 1998 was home to many of the hospital's educational programs and had a new name: Carolinas College of Health Sciences.

Later, Paramedic, Radiation Therapy, and Histotechnology were added. So in 2015 we're celebrating both our 75th and our 25th anniversaries. Will we have the party of the century to celebrate? You Bet!

We're stepping beyond even Carolinas HealthCare System's idea of a party and making a weekend of it! (We celebrate Homecoming just once every five years, so we have a great excuse to make it fabulous for you!) As you'll see elsewhere in this publication and on the invitation you've received, there are multiple events throughout the weekend, each with its own unique flavor.

If the idea of attending the party of the century doesn't ring your chimes, I've got an even better incentive for you: Come to celebrate you & your class. Some years ago you embarked on a personal challenge. You'd decided to become a part of the healthcare team – the most vital and trusted professionals on the planet. But you didn't accomplish it on your own. You became part of a team. A class. You studied together, celebrated together, and cried together. In many cases, lived side by side. Homecoming is your time to return to those roots. See not only classmates, but those in the class before or after you; those you studied with and those you went on to work with following training. The teachers you loved. I'll make it easy for you to contact one another to encourage classmates to attend – just call me!

Life is short. Celebrate the milestones. Celebrate the bonds of friendship. Celebrate what you accomplished together. I hope you will plan to be here October 9, 10, and 11 as we celebrate two important milestones in your life and the life of Carolinas College of Health Sciences.

I hope to see you.

Homecoming Weekend-

Alumnus Creates Commissioned Pieces for Homecoming

Homecoming attendees get a double treat. In addition to a weekend of fun activities, everyone will take home a special gift. A gift from the heart of fellow alumnus Tammie Heintzman. A gift of music. Arise!

Tammie Heintzman (NUR '94) has been creating music since the day in 1997 when a special patient encounter touched her so deeply that as she was driving home, she literally heard music. When she arrived home she raced to the piano to capture what was rushing through her head. Her husband heard the stunningly beautiful notes and asked "That's fantastic; is it a Mozart?"

In the years since, she's mastered her musical craft by composing and performing hundreds of pieces, including

Tammie Heintzman
(NUR '94)

"Reclaiming the Passion" – a CD and journal set available through Amazon which she co-authored to help nurses engage their creativity via patient stories. Tammie's performed at civic centers in her southern California hometown and at over 350 venues, including the La Jolla Arts Festival, Colorado's Ferry Landing Sunday concerts, and a Barnes and Nobles traveling art exhibition.

Tammie has graciously given the college rights to 16 pieces which will be pressed onto a CD to be titled "**Arise**" and given to each alumnus who attends homecoming. She's also agreed to play some of the selections at the Marriott SouthPark during our Friday night reception (preceding the dinner), and to autograph YOUR copy of the CD!

Alumni unable to attend Homecoming may purchase the CD. The sixteen pieces, which range from haunting, to joyful, to triumphant, are guaranteed to become favorites. Each \$12 purchase benefits the CCHS Endowment to be used for scholarships and needed college resources.

Make checks payable to CCHS Endowment; send to Ruthie Mihal, Carolinas College, 1200 Blythe Boulevard, Charlotte NC 28203. In memo field, note "**Homecoming CD.**"

2015 Distinguished Alumnus- Colonel Patsy Thompson

Meet Colonel Patsy Thompson at Homecoming. Colonel Patsy Thompson was born in Troy, North Carolina. She graduated from high school in 1951, then continued her education at Charlotte Memorial Hospital School of Nursing, graduating in 1954, and went on to earn a Bachelor of Science degree from Chapman College in Southern California. Colonel Thompson started her 37 year military career in the US Air Force Nurse Corps in 1956. During that time she was a ward nurse, a chief nurse, and an all-star basketball player.

Colonel Thompson served on active duty in the United States Air Force Nurse Corps from 1956 to 1960 and in the Air Force Reserve for fourteen years. While working at McClellan Air Force Base as an Occupational Health Educator, she was chosen as Woman of the Year. She was a member of the California Army National Guard where she served as Medical Group Chief Nurse until 1976 and as Medical Brigade Chief Nurse until 1986.

She was key to the 175th Medical Group becoming a Brigade and assuming the leadership of all the Army National Guard medical units in the Sixth Army area.

In 1986 Pat was selected as the Chief Nurse of the Army National Guard for the National Guard Bureau at the Pentagon. Pat was the first Army National Guard Chief Nurse to have come from the National Guard.

Colonel Thompson returned to California in 1989 where she was on special assignment with the State Headquarters as the Quality Control Coordinator for the State Physical Examination Program. 1992 was a pivotal year for Pat both personally and professionally. She was assigned to

preside over a hearing regarding a fellow army nurse's federal recognition that resulted in the dismissal of that fellow nurse for having admitted she was a lesbian. The irony being that Pat herself was concealing the same truth, that she too was a lesbian, and fought a moral battle deciding whether to fulfill her duty and preside over the hearing, or come out along with her colleague – knowing they would both be dismissed without recourse. Pat did fulfill her duty, and by doing so she was able to not only assist with reinstating her colleague, but she was also able to play a key role in the repeal of the military's Don't Ask, Don't Tell policy. Just before retiring in 1994, she spent a six month tour in the jungles of Panama where she was the Medical Team Commander.

Colonel Thompson lives with her wife, Barbara, in Roseville, California. Pat is an active Hospice volunteer, wearing her military uniform to visit veterans who are in Hospice care to honor them for their military service. Other volunteer work includes feeding local homeless people and participating in the local PFLAG chapter which offers support, education and advocacy for all LGBTQ (lesbian, gay, bisexual, transgender).

Pat and Barbara are subjects of a documentary currently in production called "Surviving the Silence-Love and Impossible Choices" and are also writing a book about their story.

Will Borders
Alumni President

Dear CCHS Alumni,

As an alumnus of Carolinas College of Health Sciences, you're one of the brightest and most compassionate leaders in the healthcare community.

The numbers don't lie:

96.3% of graduates passed their licensure/certificate exam on the first attempt.

89.8% of graduates were employed full time in their respective field of training within 6 months of graduation at a CHS facility.

#3 ranked two-year college in the nation in 2010

#1 ranked two-year college in the nation in 2011 and 2012.

As you think back to your time at CCHS and what it meant to you, combine it with the experiences of other alumni over CCHS's 25 year history...add the achievements of Carolinas HealthCare System teammates celebrating their 75 year anniversary; this promises to be a CCHS Homecoming you won't want to miss!

HOME COMING HIGHLIGHTS INCLUDE:

1. Friday, October 9: 6 to 10 p.m., CCHS Homecoming, South Park Marriott.

Join us for a silent auction, dancing through the decades, and more!

2. Saturday, October 10: 9 a.m. to 11 a.m., Recognition Breakfast at the historic Morehead Inn.

Join us as we honor current and past distinguished alumni and outstanding educators. Immediately following the breakfast, join the 75th anniversary events on the campus of Carolinas Medical Center and Carolinas College.

3. Discover Charlotte or plan a class-specific event.

Charlotte in 2015 is a happening place. Entertainment options are nearly endless. Or plan a wine tasting or dinner for your class. CCHS can help.

4. Sunday, Oct 11: 9 a.m., Farewell breakfast, South Park Marriott.

I hope you can join us as we celebrate the history of Carolinas College of Health Sciences and Charlotte Memorial Hospital/ Carolinas Healthcare System.

All the Best,

Will Borders (MLS, Class of 2006)
CCHS Alumni Association President

Dance

Through The Decades With CCHS

At Friday night's Homecoming event FUN will be the main event! In addition to the silent auction, the musical talents of several CCHS alumni, a to-die-for dinner, a chance to catch up and network with classmates, and recognition of some very special people in the audience, the evening will culminate with a dance extravaganza put on by you! No dance partner is required, just the willingness to get out on the dance floor, kick up your heels, and have a fun time.

CCHS alumnus and performer extraordinaire John Willoughby (NUR '14), with the help of our DJ, will lead us

through some of the most memorable dance steps of the decades. John, assisted by strategically placed volunteers throughout the room, will pack the dance floor with alumni eager to try out a dance from our founding decade the 40's. Then we'll try some moves from the 50's, 60's, etc., right up through 2015.

John dances professionally and has taught dance for years. A consummate performer and award winning singer and dancer, we are incredibly lucky to have someone with his talent to lead this fun. Add to it that he's also a super nice and entertaining personality, you

have an idea why this will be the most eagerly anticipated event of Homecoming weekend! When he's not having fun teaching voice, dance, and performance skills, he's busy with his real job as a critical care nurse at Carolinas Medical Center.

Is YOUR Class Up to the Challenge?

Sure, it would be fun to see your classmates. But how can you get them to come?

CCHS can help you, and others before you have provided the inspiration. Back in 1997, armed with little more than a 46-year-old yearbook and a smile, Virginia (Ginny) Cloer and Wilma Crawford set about tracking down the Class of 1951. They didn't even have Facebook or Google to help! Many phone calls, and visits to the social security office later, they started the first handwritten class newsletter, photocopied at and mailed by the college. The result was the reconnection of long lost best friends.

Carol Caskey Rotman (1963) and Linda Perkins (1967) provide other great examples. In both cases the college provided lists of classmates we knew of and they began tracking classmates down. Sometimes they hit dead ends. Sometimes they met intriguing (or rude!) strangers who happened to share a name in common with a classmate. But occasionally they were rewarded with the magic words: "Oh my gosh! I can't believe it's you. After all these years! It's so good to hear your voice!"

Some classes have met regularly since graduating, or at least the last 10 or 15

years, like the amazing class of 1958! Some have gotten together only every five years at Homecoming. Who can forget the Class of '96's Homecoming chorus line, with Cindy Favorite in the middle, or when Matt made a surprise appearance at the Hoe Down? And how about the Homecoming gala when the Med Tech class of '78 shagged the night away?

Whether your class has met regularly, occasionally, or not at all, Homecoming 2015 will be the place to renew friendships and reconnect.

Start now by calling Ruthie Mihal (704.609.1542) or Pat Lewis (704.355.2029) to request a class list.

Then set up a class Facebook page, or just start dialing. Make your class the participation trophy winner but more important, celebrate your memories!

Own A Vacation Home In Bora Bora You Care To Share?

No? Then perhaps a weekend of dog sitting, guitar lessons or math tutoring, or even a family photo portrait. Whatever you can contribute that other alumni might like to purchase! We'll also accept new items or consignments (that is, you specify a minimum amount you'll need to receive with any extra benefitting the College endowment). We are building up our stash of goodies for the silent auction, but need some

help! We are in need of lots of cool and unique items. Some may stand alone – others may be grouped into a package. Most items should be new, though in unique cases used is fine (i.e., antiques, memorabilia, etc.). If you have an item or service you are willing to contribute to this year's auction, please contact **Dana Mangum at (704) 355-9141** or Dana.Mangum@CarolinasCollege.edu.

Below is our wish list of items and/or packages we hope to assemble:

- Airline tickets
- "Weekend escape" packages: do you have a vacation rental property that you'd be willing to donate for a weekend?
- Electronics – DVD players, iPad, iPod, kindle, Fitbit, etc...
- "Night on the Town" packages (i.e., limo/dinner packages)
- Artwork
- Unique or valuable jewelry
- Music, art or language lessons
- Outdoor items – gas grills, landscaping, outdoor furniture, hot tubs, in-ground pools, decks, etc.
- Game room items – pool table, ping-pong table, dart board
- Golf packages
- Culinary classes: teach someone to make your specialty!
- Specialty items – china, silver, furniture
- Baby, dog or house sitting
- Gift certificates: restaurants, attractions, retail
- Sports memorabilia
- Beauty /massage packages
- In-home catering

Or – you can simply donate financially to the silent auction and we'll purchase gift cards with the funds collected to be used in the auction packages. The CCHS Alumni Association has generously offered to match all monetary donations up to \$1,200!

Check out what we have so far on our Bidding For Good auction site found here:
www.BiddingForGood.com/CarolinasCollege

Scavenger Hunt!

Have Fun! Win Prizes! Learn About Carolinas College! Challenge Your Classmates!

(Oh yes, and also give your significant other or teenager something fun to participate in!) On Saturday there will be no shortage of fun things to do throughout the CHS and CCHS campuses. Add to the list a CCHS Scavenger Hunt! Beginning at 1:30 p.m. to every half hour, exactly on the hour and the half hour - a timed scavenger hunt will begin. You'll register individually or as a team and you'll receive a scavenger hunt set of instructions. You

must have your thinking cap on because the hunt will have you sleuthing and solving riddles as you try to beat the clock – and the competition! When your card is complete you'll race to the finish line to have your completion time stamped. At the end of the day all who completed will be rank-ordered by elapsed time, and prizes will be given out at Sunday's breakfast or mailed to the winners.

It's Not A Good-Bye – But A See You Soon

Join us on Sunday morning in the CCHS hospitality suite at the Marriott SouthPark to regroup one last time before everyone departs.

Recap the weekend's highlights and say some final farewells all while fueling up for the journey home on a complimentary continental breakfast.

We want your stories! Karen Miller, the college historian, is on a mission to collect the oral histories

and memorable stories of our fascinating alumni. On October 10, as part of

Saturday's Homecoming activities, you will have an opportunity to share your stories and record a mini-oral history in our makeshift CCHS recording studio. Start thinking about your most memorable moments, career highlights, those little things that had a profound effect on you as a healthcare professional, or

just plain laugh-out-loud funny stuff. We want it all! Do it alone or with a classmate.
