**Don't forget to complete
EVERYTHING on your list!**

FROM OUR CHAIRMEN

I can't believe we are nearing the end of our second year of fundraising for the three-year, Carolinas Medical Center-NorthEast Breast Health Program campaign to raise \$5.5 million. As 2009 comes to a close, so does my two-year tenure as Chairman of the NorthEast Foundation Board of Directors. What a great two years it has been! It has been my privilege to lead our Foundation Board of Directors, filled with tremendous leaders who are passionate about CMC-NorthEast and about raising awareness and funds to fulfill our non-profit mission. Such passion has allowed us to raise over \$4.6 million to date, which is 85% of our goal! Congratulations to our board of directors and thanks to all the donors who have made this total possible.

Linny Baker, MD
*NorthEast Foundation
Chairman 2008-2009*

Folks have asked me over these past two years if it has been difficult to raise money in such a slumping economy. My answer is always the same. While each day had its challenges, we were able to raise money for two important reasons. Number one, our community has a fantastic culture of giving. As a board, it was our hope, during these times, to continue to nurture this culture while also introducing our Breast Health Program campaign to even more individuals, families, and businesses. This leads me to point number two. Even though the country is in a recession, breast cancer is NOT in remission. What I mean by this is – the Breast Health Program campaign has many compelling funding components (breast health center, digital mammography equipment, mobile mammography unit, and outreach efforts) that need your support and the support of our community. Furthermore, that one lady in every eight who will be diagnosed with breast cancer deserves our support, in spite of, and in many cases, due to our current economic conditions.

Even though the campaign year is quickly coming to a close, don't forget that it is not too late to provide a 2009 gift to the campaign or even a two-year pledge of support. We need your help to reach our goal of \$5.5 million. NorthEast Foundation is worthy of your charitable support so please remember us as you provide any year-end contributions. And what better way to tell your friends and family how much you care about them than to donate your gift in their honor or memory!

Even though my tenure as Chairman of the Board has nearly ended, I will remain a dedicated board member of NorthEast Foundation. I would like to congratulate Britt Leatherman, the new NorthEast Foundation Chairman of the Board for 2010-2011. Much work has been accomplished but there is much more to do. With Britt's leadership and with your support, I feel confident we will surpass our \$5.5 million goal. Join me in rallying around Britt and this important campaign for women and their families. Again, it has been my pleasure to lead the NorthEast Foundation Board of Directors and I look forward to the successes of 2010. Please help us be successful!

Take care,
Linny Baker, MD

I am truly honored and very excited to become the Chairman of the NorthEast Foundation Board of Directors for 2010-2011. Having served as a board member since 2004, I have worked alongside many wonderful board members and been led by fantastic chairmen before me such as Betsy Liles (2004-2005), John Morrison, Jr. (2006-2007), and Linny Baker, MD (2008-2009).

Britt Leatherman
*NorthEast Foundation
Chairman 2010-2011*

I love Carolinas Medical Center-NorthEast. It is my hospital, and I hope you feel the same way too. Every member of this community (and that means you!) is a stakeholder in our medical center. As a stakeholder, I need you to invest in CMC-NorthEast. The best way you can do that is to get involved with NorthEast Foundation. I encourage you to provide ongoing gifts of support to our Breast Health Program campaign, call the Foundation office to ask about ways to volunteer, and share the campaign with your families, friends, and neighbors.

Investing in NorthEast Foundation provides both immediate and long-term positive returns. Your gifts will immediately help uninsured or underserved women in our community who need comprehensive breast health care and will support the Breast Health Center and Mobile Mammography Unit which will provide care for women for many years to come – perhaps your mother, wife, sister, daughter – or even YOU!

2010 is the final year of our three-year campaign for Breast Health. We need your support to reach our community goal, but also know that now is a great time to become a long-term partner with NorthEast Foundation. From our Cabarrus College of Health Sciences and Jeff Gordon Children's Hospital to our Breast Health Center and NorthEast Foundation Endowment Program, there are many ways to support your hospital through gifts to NorthEast Foundation. Get involved and get active today! Our medical center and the care its wonderful staff and employees provide touch all of our lives. Your gifts allow that special touch to extend even further into our community.

In closing, be on the lookout for a few new correspondence items next year. A special "Book of Donors" will be distributed in addition to a revamped *Sharing* publication. This will allow us to better recognize the generosity and involvement of our existing donors while also encouraging new friends to join us in our efforts to raise awareness and funds for our Breast Health Program campaign and others. 2010 will be a special year for our foundation, our campaign, and our community. Together we can achieve great things. I look forward to partnering with you.

Sincerely,
Britt Leatherman

New Cancer-Care SPECIALTY SHOP OPENS

Carolinas Medical Center-NorthEast is committed to caring for cancer patients' every need – from early detection, to treatment, to recovery. That became even clearer on November 2 with the opening of Wishing Well, a newly-designed cancer-care specialty shop. Located just inside the Medical Arts Building entrance, Wishing Well is a boutique that sells items essential to the well-being and recovery of cancer patients, both physically and emotionally.

Wishing Well is the result of tremendous study, research, and planning done by two close friends, Liz Klein and Karen Roche. They had a mutual friend diagnosed with breast cancer in Pennsylvania.

The friend was frustrated to learn that there was a lack of resources in Pennsylvania to meet the needs of recovering cancer patients. Klein and Roche investigated local options for such care but were disappointed to discover that while there were several shops scattered around a 30-mile radius of CMC-North-East, no central location

could be found for patients to frequent, purchase necessary items, and continue their daily lives. Therefore, Klein and Roche approached medical center leadership to discuss the opening of a cancer retail shop to specialize in mastectomy bra and breast form fitting services and essential cancer care products.

As business models were completed to support such a unique shop in this area, projected data showed that more than 850 oncology patients will receive chemotherapy, radiation, or immunotherapy for cancers (breast and otherwise) at CMC-NorthEast in 2010 and such statistics will grow to nearly 1,000 patients by 2012. These patients and their families would be ideal customers for Wishing Well, providing them with the ease of purchasing items in their own community. **"Our vision was for a store that could take patients not only to recovery, but through recovery," Roche said.**

Site visits were made to similar shops in Georgia, South Carolina, and Ohio and further research was conducted to determine the design, theme, and customer-friendly feel that

was essential to the store. Wishing Well's fitting rooms and boutique areas have comfortable, over-sized chairs and warm lighting with sconces and lamps as opposed to fluorescent lighting. Baker's racks and a round mahogany table display cancer-care products to maintain a non-clinical atmosphere.

Providing bra and breast form fitting services in a private, comfortable, and respectful setting is one of the goals of the shop. Klein and Roche are both certified mastectomy fitters and will help staff Wishing Well. In fact, hourly fitting appointments are available from 9:00 am until 4:30 pm, Monday through Friday.

While breast cancer awareness is prevalent, Klein and Roche, with the help of Shop Coordinator Arrington Mathis, point out that all different types of cancers will be addressed at Wishing Well. The shop is designed to provide products to comfort and

give hope to men and women in the community and provide cancer care essentials for their journey, no matter the type.

"We want people to know that no matter the need, whether male or female, we can help them and in a warm, friendly environment," Klein noted.

Cancer care essentials such as wigs, ponytails, pocketed swimwear, compression sleeves and sleep caps will be available as well as cancer awareness t-shirts, pins, hats, scarves and even inspirational books, CD's and journals, just to name a few of the items for sale.

When asked about the importance of Wishing Well to the community, Lisa Meloni was quick to respond, **"As a cancer patient, I've found it difficult to find everything I need in one place. I'm constantly searching for hats and scarves, and I drive as far away as 30 miles to find a wig shop. It's good to know that I can get everything in one place!"**

Wishing Well is open Monday through Friday, 9:00 am to 5:30 pm. For additional questions or to schedule an appointment, call 704.403.6330.

*The entrance to the Wishing Well

*Nightgowns, stuffed animals, pillows, meditational CDs and hats...
just a few of the items available for purchase at the Cancer-Care Specialty Shop.*

IRRESISTIBLE PORTRAITS FOCUSES ON BREAST HEALTH CAMPAIGN

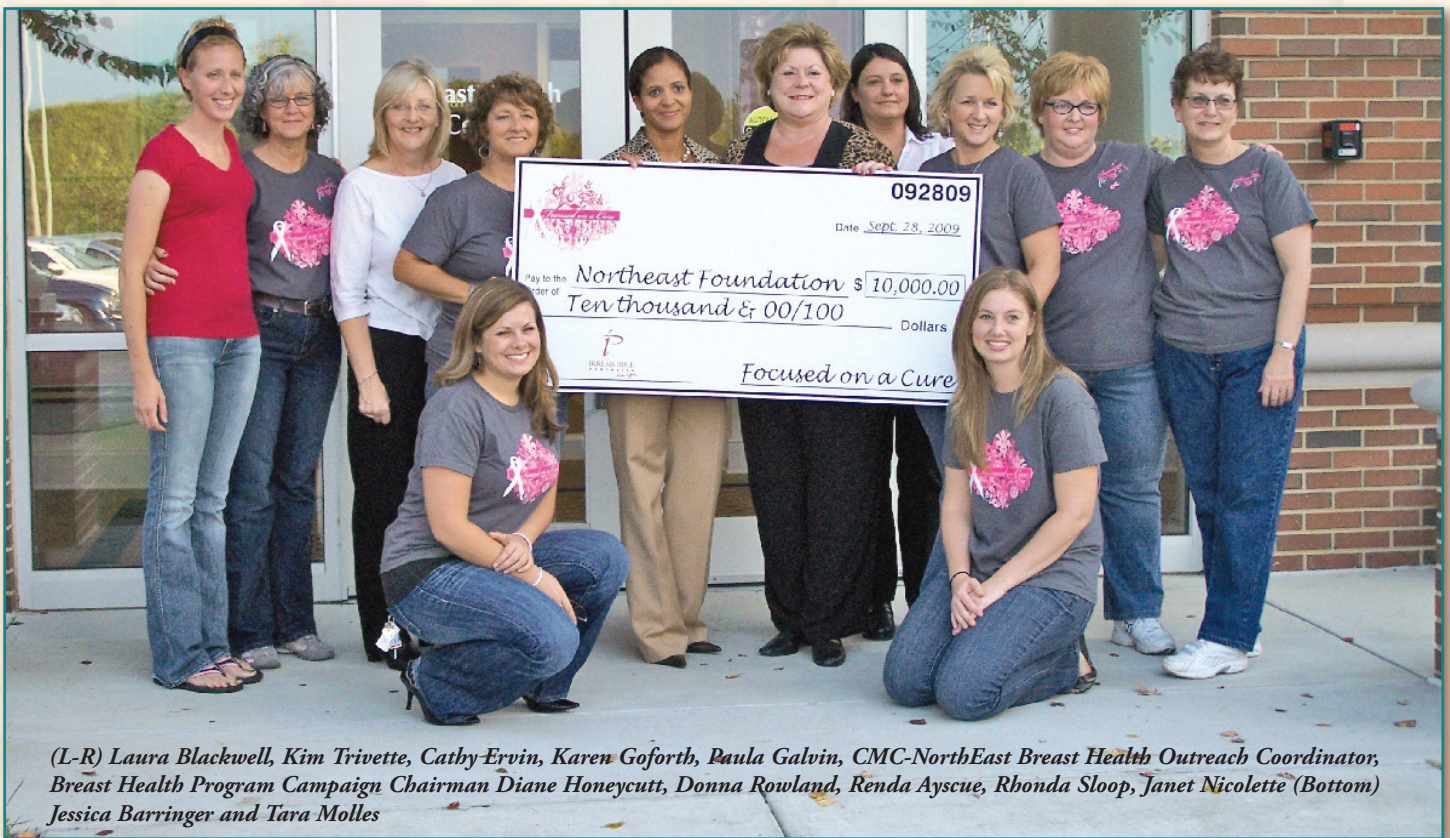

On Friday, August 28, Irresistible Portraits in Kannapolis focused their time, efforts, and camera lens on the CMC-NorthEast Breast Health Program campaign by hosting a bar-b-que fundraiser at Propst Farm in Concord. Led by Karen Goforth and Renda Ayscue, the event aptly named *Focused on a Cure*, raised \$10,000 for the NorthEast Foundation campaign.

Over 200 guests were treated to a meal under an elegantly-decorated tent, complete with chandeliers and candles. Silent auction items were available for purchase throughout the night and the band *Too Much Sylvia* entertained guests late into the evening. Perhaps the highlight of the event was the personal testimonies of breast cancer survivors Jane Jacobs and Divina Cook, as well as a beautifully produced video documenting the breast cancer journeys made by women and their families who are patrons of the photography studio.

For the second year in a row, Irresistible Portraits unveiled photographs and storylines of the survivors featured in the video. These wonderful photographs will be on display at local venues, including the NorthEast Foundation *Healing Threads* Fashion Benefit, for the next several months. When asked about the event Goforth shared, *"This was such a great evening, well worth the hard work and sleepless nights of planning. I am sure we will do this again next year – probably bigger and better!"*

Many of the survivors featured in the video, along with Irresistible Portrait employees, made a special trip to the CMC-NorthEast Breast Health Center to personally deliver the funds raised from the event as well as take a private tour of the facility. Breast Health Program Campaign Chairman Diane Honeycutt and Breast Health Outreach Coordinator Paula Galvin served as special tour guides.

(L-R) Laura Blackwell, Kim Trivette, Cathy Ervin, Karen Goforth, Paula Galvin, CMC-NorthEast Breast Health Outreach Coordinator, Breast Health Program Campaign Chairman Diane Honeycutt, Donna Rowland, Renda Ayscue, Rhonda Sloop, Janet Nicolette (Bottom) Jessica Barringer and Tara Molles

Want to create or host a fundraiser for the CMC-NorthEast Breast Health Program Campaign? Call NorthEast Foundation at 704-403-1369 today!

GIVING HOPE... SAVING LIVES

Boy Scout Organizes Carnival for Jeff Gordon Children's Hospital

Perhaps Noah Byrd should change his name to PT Barnum, the late entertainer of the 1800's, best known for promoting carnivals and founding the Ringling Bros. and Barnum & Bailey Circus. Why, you ask? Because Noah, an 8th grader at Mount Pleasant Middle School, organized a carnival of his own as part of his Eagle Scout Service Project with Boy Scout Troop #84. Noah donated the proceeds from the event, which raised over \$4,000, to the Jeff Gordon Children's Hospital, benefiting the Teen Internet Cafe!

The carnival was held on Saturday, August 22 at Les Myers Park in Concord. A scout must organize and implement a service project, with the help of his fellow troop members, in order to receive the Eagle Scout Award, the highest honor for boy scouts. Noah personally oversaw every aspect of the carnival. Weeks in advance, Noah met with representatives from NorthEast Foundation and Jeff Gordon Children's Hospital, detailing his vision of the event and his hope that the money raised could specifically benefit teenagers

while in the hospital. Noah created timelines in order to reach his many objectives for the project which included carnival promotion, food, live entertainment, games and activities, fundraising, and awareness.

The day of the event, Noah was busy making sure that the carnival stations, food vendors, bake-sale tent, and live band were in place and operating properly for the enjoyment of the many supporters that would attend.

After the event, Noah and his troop, with the help of Lisa Yates, Child Life Coordinator at Jeff Gordon Children's Hospital, purchased several gaming systems, games, controllers, DVDs, and accessories to fill the teen room. Noah said, "It was a lot of hard work but really fun, too. It is nice to be able to shop and give stuff to the Children's Hospital and the teen room." With \$4,000 worth of new items for teens to enjoy while at the hospital, even PT Barnum would be proud!

Joe Tynan, Noah Byrd, and Jacob Pless deliver items purchased from the funds raised at the carnival to Jeff Gordon Children's Hospital.

Gifts That To

Honor Roll of Donors

Through October 24, 2009

The NorthEast Foundation Board of Directors invites our community to honor the medical center with an annual gift, one that will touch thousands of lives. Because we treasure each gift, all are honored by being placed in the gift club level appropriate to the gift.

The focus of the 2008-2010 *Gifts That Touch Lives* Campaign is the new Carolinas Medical Center-NorthEast Breast Health Program, a three-year community campaign designed to focus attention on the importance of the early detection of breast cancer. The Foundation Board and Breast Health Campaign Committee have agreed to seek \$5.5 million for the Breast Health Program.

The gifts reflected in the main list have been given for the Breast Health Campaign. Listed separately are donors who have designated gifts to other funds since our last issue.

Donors who pledge gifts for the Breast Health Campaign over a three-year period are listed at the club level appropriate to the total of the three-year pledge. These gifts will continue to appear in our Honor Roll of Donors during the next three years. All additional gifts by each donor will be added and may elevate the donor to another club level.

Gifts to the Breast Health Campaign will be listed on a permanent commemorative display in the Breast Health Center at Copperfield following the completion of the campaign in December 2010. In addition, the gifts and pledges received during this period will be added to the lifetime giving levels of donors and placed on the Wall of Honor in the Clinical Services Building on the medical center's main campus.

While the Breast Health Campaign is the major focus of the Foundation's fund raising program through December 2010, the Foundation welcomes additional gifts designated for other projects or to assist in building an endowment to ensure the successful future of our medical center. Gifts may be given in honor or memory of a loved one. Every donation is tax-deductible to the full extent of the law.

Northwest Cabarrus Middle School WALKS FOR BREAST CANCER

Over 750 Northwest Cabarrus Middle School students helped raise \$4,500 by participating in the 1st annual Breast Cancer Awareness Walk-a-thon on Thursday, October 29th on the track of the school's campus. Led by NorthEast Foundation board member, teacher, and breast cancer survivor Jane Jacobs, students walked the track as a show of support for breast cancer awareness and the CMC-NorthEast Breast Health Program campaign. Students were encouraged to donate \$5.00 to the cause. Face and hair-painting booths, crafts, and guessing jars were also offered to raise funds for the campaign. **"The purpose of our event was to make 6th, 7th, and 8th graders aware that breast cancer can affect someone you love. The more funds we can raise, the more we can educate people about breast cancer and the services we have here locally."** Jacobs said.

Northwest Cabarrus Middle School Principal Timothy Farrar poses with Jane Jacobs during the walk-a-thon.

To demonstrate how breast cancer affects almost every family in the community, students were given the option of wearing light pink signs with the name

of a loved one who lost their life to breast cancer or bright pink signs to honor a breast cancer survivor they knew. Students shared stories with teachers and each other about family members or friends

with breast cancer. Through this exercise, many students realized for the first time, how much breast cancer impacts those dealing with the disease.

Leading up to the event, students were selected from each grade level to make announcements to the school, promoting the event and providing breast cancer statistics. **"I was overwhelmed with the amount of support," Jacobs shared. "I would be walking through the halls and students would walk up to me and want to hand me money for the event! We have a very special school of caring students!"**

Participating students show their support by wearing pink clothing, holding pink signs, and painting their hair pink.

THREE STATISTICS THAT WE SHOULD ALL REMEMBER

Diane Honeycutt

As chairman of the CMC-NorthEast Breast Health campaign and a woman, I want to share three important statistics that we should all remember:

- **1 in 8 women will be diagnosed with breast cancer**
- **Breast cancer is the leading cause of cancer deaths in women age 40-55**
- **There is a 98% breast cancer survivor rate when discovered early**

Knowledge is power. Please share these statistics with every woman you know and encourage the women in your life to:

- **Get an annual screening mammogram (age 35 and older)**
- **Visit a personal physician annually**
- **Conduct monthly self-breast examinations**

To schedule a mammogram, call 704.403.1729. It is quick, easy, and important! You may self-refer, schedule your appointment at a time that fits your schedule, and have the report sent directly to your physician. Do it today!

HERITAGE SOCIETY

The ultimate gifts of support are those gifts designed to leave a legacy to Carolinas Medical Center-NorthEast. These are estate gifts, provided through wills and trusts. Those who choose to do so and notify our Foundation become members of the Heritage Society. With permission, their names are displayed on the Foundation Wall of Honor. The following generous donors are members of our Heritage Society.

Elizabeth V. Z. Adams
 Ralph & Sandy Barnhardt
 George A. Batte, Jr.
 John A. Bishop
 Harry & Mary Lore Brown
 Charles A. Cannon
 Franklin Lamar Cannon
 Phyllis & L. D. (Bub) Coltrane III

 Mariam Coltrane Schramm
 Steve & Kim Sellers
 Annie Hoover Tollison
 Emma F. Whitman
 Ron & Phyllis Wilson

How to Place CMC-NorthEast in Your Will

One of these statements can be placed in your will to support the future of your medical center:

“I give and bequeath to NorthEast Foundation the sum of \$ _____ (and/or the securities or other property described herein) to be used as NorthEast Foundation Board of Directors directs.”

“I give, devise, and bequeath _____% of the said residuary of my estate to NorthEast Foundation to be used as NorthEast Foundation Board of Directors directs.”

“Should (name of person) predecease me, the portion of my estate going to (person’s name), I give and bequeath to NorthEast Foundation.”

THE JEFF GORDON FOUNDATION

Think Pink

Think Pink 2009 Healing Threads Fashion Benefit nets \$69,000

NorthEast Foundation's 2009 *Healing Threads* Fashion Benefit netted \$69,000 for the Carolinas Medical Center-NorthEast Breast Health Program campaign.

For the second year in a row the benefit was held at The Vintage Motor Club at Gibson Mill in Concord. The Monday, October 19 and Tuesday, October 20 shows were attended by record crowds. Over 800 guests celebrated the latest in fall fashions from seven area clothiers and boutiques.

The theme of the event, "Think Pink" came from the creative minds of event co-chairs Clare Cook Faggart and Dakeita Vanderburg-Johnson. They shared, *"Our goal is for every woman to 'Think Pink,' educating themselves and others about the comprehensive breast healthcare CMC-NorthEast provides. We hope the pink ribbons gracing the event invitations, programs and tickets will act as a reminder to everyone!"*

"We appreciate our sponsors,

participating stores, models, volunteers and guests who made this event a success. Funds raised from this outpouring of community support

will be applied to our \$5.5 million campaign for the Breast Health Program.

"Campaign funds will benefit the new CMC-NorthEast Breast Health Center, the new mobile mammography unit and digital

mammography equipment. Funds will also support breast health outreach initiatives for the uninsured and underserved women in our community."

Forty models showcased fashions from Beth Sheree's and Neta's in Concord; Virginia's in Kannapolis; Bijoux Collections in Salisbury; Bella Ropa in Huntersville; Brooks Brothers in Concord Mills; and Doncaster, represented by Clare Cook Faggart. Guests enjoyed a buffet of heavy hors d'oeuvres at beautifully decorated pink tables featuring elegant chandeliers and glass work.

Kim Brattain, former WSOC-TV Channel 9 News co-anchor and current owner of Phase2Productions which produces documentaries, and informational films, joined Foundation Executive Director Adam Cook as guest commentator for the show. They described the fashions as well as presented personal stories about each model that represented an array of individuals who have connections with CMC-NorthEast as employees, physicians, and volunteers.

Cook encouraged all in attendance to "Think Pink" every day. *"Statistics show that one woman out of eight will be diagnosed with breast cancer. It is critical that age-eligible women continue to schedule an annual screening mammogram. Early detection is the key to saving the life of a woman who is diagnosed with breast cancer."*

Want to help?

To make a donation to the Breast Health Campaign, call NorthEast Foundation at 704-403-1369. To schedule a mammogram at CMC-NorthEast Breast Health Center call 704-403-1729.

Student Art Gallery

Once a quarter, Carolinas Medical Center-NorthEast features an official ribbon cutting to unveil artwork being displayed in the Student Art Gallery. The artwork features students from the Cabarrus County Home School Association, Cabarrus County Schools, Cannon School, Covenant Classical School, First Assembly Christian School and Kannapolis City Schools.

Over 40 pieces of art hang in the main hallway of the Medical Arts Building for three months. There, patients and their relatives continue to enjoy the beautiful artistic expressions by student artists. During the Art Gallery Openings, two pieces of art are chosen from each exhibit for inclusion in the Carolinas Medical Center-NorthEast permanent student art collection which is located in the Jeff Gordon Children's Hospital. A cash reward is given to each of these artists and an additional cash award is given to the winner's school for the school's art program.

Since our last *Sharing* issue, CMC-NorthEast has hosted two openings, Cannon School and First Assembly Christian School.

34th Student Art Gallery Exhibit Cannon School

Cannon School's student artists, parents, teachers and friends participated Tuesday, February 10, 2009 in an official ribbon cutting unveiling the Cannon School art display in the Carolinas Medical Center-NorthEast Student Art Gallery. Guests enjoyed light refreshments as they heard remarks from CMC-NorthEast representatives and a response from school officials.

At this event, two students from a previous exhibit of Cabarrus County Schools were recognized as Winning Artists. The winners were Maranna Drye and Logan Lovelace.

(L-R) Cannon School Art Instructors Krista Glennon and Cheryl Judd-Magee, Headmaster Matthew Gossage, Student Liz Lovett, Adam Cook, NorthEast Foundation Executive Director and Art Instructors Belinda Armstrong and Peter Townsend

35th Student Art Gallery Exhibit First Assembly Christian School

(L-R) Art Instructor Shannon Horton with Student Kyle McKinley, Art Instructors Laura Hoffman and Leigh Williams with Headmaster Frank Cantadore

The official ribbon cutting for First Assembly Christian School student artists, parents, teachers and friends was held Tuesday, September 29, 2009 in the Carolinas Medical Center-NorthEast Student Art Gallery. At this event, two additional student art pieces were chosen for the medical center's permanent art collection from a previous exhibit of Kannapolis City Schools. The winners were Natali Gutierrez and Cinthia Silva.
