

Cabarrus College Academic Appeal Checklist

This form serves as College documentation of students' grievances and a mechanism for tracking decisions made during the appeal process. After each step, the student and his/her advisor should be given a copy of this form. The original document and any supporting documentation should be forwarded to the Coordinator, Advising and Student Success by the next business day.

Grievance – A complaint based on the belief that one has been treated unfairly.

Appeal – A request for a person of authority to review and possibly amend a prior decision.

Please Select one:

- Appeal of Academic Policy Decision:** Students with grievances concerning the administration of academic policy including but not limited to Transfer credit evaluation, leaves of absence, academic freedom, course withdrawals, or program dismissal, may file a formal appeal. To be considered, an appeal of academic policy must be initiated within five (5) business days of the date of action or official notification of the decision.
- Appeal of Grade:** Student with grievances concerning any grade or believes instances of perceived unfair treatment negatively impacted his or her grade, may appeal the grade. It is the intent of these provisions to guarantee fair procedure rather than to interfere with the prerogative of the faculty to evaluate the quality of a student's coursework.
- Appeal of Academic College Dismissal:** A student may appeal a dismissal from the college for academic reasons.
