- **SAFETY:** The safety of students, faculty, staff, and visitors are our top priority.
- **COVID-Safe Standards:** We have implemented COVID-Safe Standards to help prevent the spread of the virus.
- **MISSION and CORE VALUES:** Now more than ever, we are dedicated to our mission of providing progressive, exemplary healthcare education and to our core values of caring, commitment, teamwork, and integrity.
- **WEAR A MASK:** All entrants will be required to wear a mask. One cloth mask will be provided to each student and teammate. If entrants do not have a mask when they arrive on campus, a disposable, single-use mask will be provided.
- **WEAR EYE PROTECTION** while in a clinical setting. Eye coverings (goggles or face shields) are required for students in clinical settings and must be worn any time they are in contact with a patient and in common areas of the clinical setting.
- **PRACTICE GOOD HAND HYGIENE:** Students and teammates should wash their hands for 20 seconds with warm water.
- **REQUIRED SCREENING:** All entrants to the campus building will be subject to screening at the College or at Atrium Health Cabarrus. Once screened, individuals will be provided a colored sticker to indicate they have passed the screening protocol. Entrants will need to show their color-coded sticker to the front desk attendant to proceed further into the building.
- **MAINTAIN SOCIAL DISTANCING:** Social distancing of at least 6 feet is required while on campus, including in offices, labs, classrooms, and elevators.
- **LIMITED NUMBER OF VISITORS:** The college uses a combination of online learning, simulations, and limited on-campus activities. Teammates work remotely unless visiting campus is essential.
- **ENHANCED CLEANING PROTOCOLS** have been adopted to ensure a safe learning environment.
