

## Back to Campus: Things You Need to Know

- Campus life will look different
  - Screening (temperature scan and questions) will be conducted upon arrival
  - Masks are required
  - Capacities in bathrooms and other common areas will be limited
  - Increased cleaning to be conducted
  - You will be given a Cabarrus College cloth mask - bring this to campus daily and do not forget to launder it on a routine basis!
- Depending on the Phase, campus may be closed to students
  - If you do not have access to technology (i.e., computer, printer), please reach out to your advisor
- Arrive 30 minutes early to allow ample time for screening
- Limit personal belongings (i.e., one small purse or bag)
  - Follow your instructor's instructions regarding materials needed for class
  - Avenue C will not be open. Please plan accordingly if you are on campus for an extended time period and need access to food or drink.
- There will be posted signs regarding traffic flow, etc.
  - PLEASE do not remove signs or move furniture. Failure to abide by these safety protocols will result in consequences at the discretion of your instructor.
- If you have any concerns, please refer to the Coping with COVID resource on the COVID Canvas Community and/or reach out to your advisor.
