- Be sure to select the correct school year and semester
- The date bills are due will be shown at the bottom
- Before the semester starts you will want to pay on the "Anticipated Balance" amount only
- If there are parentheses around an amount such as (\$100), this means you have a credit and no tuition is due as long as you have accepted your financial aid awards.

Information for students paying tuition bills:

The amount due is listed as the anticipated balance. If your anticipated balance is negative such as (100.00) from the previous screen, then this reflects a credit balance and no payment is necessary. Be sure you have selected the correct semester and year for your payment.
