

**Atrium Health**  
**Levine Children's**

*Our World Revolves  
Around Children...*

*Levine Children's Hospital is a 234 bed, state of the art, pediatric hospital in Charlotte, NC on the campus of Carolinas Medical Center.*

*Each parent, caregiver, or visitor must stop at the reception desk in the lobby and have an identification badge made to ensure the safety of our patients.*

*Welcome to the Pediatric Rehabilitation Pavilion! We are located on the 4<sup>th</sup> floor of Levine Children's Hospital.*

*Our Rehab Team consists of: board certified pediatric rehabilitation physicians, a nurse practitioner, pediatric physical, occupational and speech therapists, rehabilitation certified nurses, a recreational therapist, child life specialists, nutrition experts, a social worker, a discharge planner, and many more.*

*We have 13 private rooms with bathrooms and showers designed for the comfort of our patients and families...the couch converts into a single bed to allow a family member or caregiver to room in with the patient.*

*Our patients are encouraged to personalize their rooms. It is their home away from home!*

*Each patient has a schedule board in his/her room that displays their daily schedule. The schedule is updated each afternoon for the next day.*

*Patients and families can stay connected with their care team through an interactive system on the room televisions called 'Get Well Town.' The system can be used to communicate directly with staff and can be used to provide educational materials. It can also be used for fun activities such as getting on the internet, watching movies, listening to music, and playing video games.*

*Each morning our medical team checks in on every patient. Both of our doctors are board certified in different specialties which include pediatrics, physical medicine & rehabilitation, pediatric rehabilitation medicine, & brain injury.*

*Our skilled and compassionate nursing staff provide care 24 hours a day/7 days a week and ensure patient comfort and coordinated interdisciplinary care.*

*Our therapy gym features a wide variety of equipment and most importantly, the healing touch of our therapists.*

*One unique piece of equipment in the gym is our FES (Functional Electrical Stimulation) bike. Electrical current helps stimulate nerves to create muscle contractions. This helps maintain muscle bulk, increase circulation, and relax muscle spasms.*

*Our anti-gravity treadmill improves mobility and strength in a fall safe environment.*

*Our playroom also offers a variety of treatment tools.  
Of course therapy is always disguised as play!*

*Our Teen Room is equipped with a Wii game system, Xbox, air hockey table, basketball game, tablets, and a large flat screen TV.*

*Our ceiling track gait system allows our patients to walk and perform high level balance and coordination activities without the fear of falling.*

*Our speech therapy team works to regain communication, swallowing, memory, and cognitive skills.*

*School age children may have help from our teacher with some of their school work. She also provides educational testing when necessary and assists our patients with school re-integration upon discharge.*

*Our Recreational Therapist helps our patients find activities that they enjoy and adaptive ways to enjoy them.*

# *We host a weekly Music Therapy Group – a favorite activity for patients, families, and staff.*

Levine  
Children's  
Hospital  
MUSIC THERAPY

*Each Friday afternoon everyone gathers for 'Friday Finale.' This is a great opportunity for us to celebrate everyone's hard work!*

*Our patient/family dining room is used to re-train skills such as cooking and cleaning. It is also a great place to gather with friends and family or grab a cup of coffee.*

*Through multiple vendors, we have access to state-of-the-art technology, assistive devices, and specialized mobility equipment to increase independence and quality of life.*

*Maggie is our rehab therapy dog who spends two days a week on our unit. Maggie provides motivation, companionship, and help with mobility for our patients. Patients love Maggie and she loves them!*

*The mission of Levine Children's Hospital is to partner with families to provide excellent healthcare in a family-centered care environment. We encourage family/caregiver participation during all activities.*

*The outdoor Discovery Garden is located on the 12<sup>th</sup> floor. It is an interactive outside space for play, watching movies, or playing games on the television.*

*Seacrest Studios is our in-house multimedia broadcast center. The studio's programming includes game shows, celebrity interviews, and a variety of performances. The activities are broadcast to patient rooms via closed-circuit televisions to ensure that all patients can participate in the fun.*

*Our Family Resource Library is located on the 2<sup>nd</sup> floor of Levine Children's Hospital. We have an array of resources on a wide variety of topics.*

*Also on the 2<sup>nd</sup> floor you will find our chapel. This non-denominational chapel is designed to provide families a peaceful space suitable for reflection, quiet meditation, or prayer.*

*Aside from our large cafeteria, our medical complex also offers many other dining options.*

*Located approximately half a mile from Levine Children's Hospital, The Ronald McDonald House can provide a 'home away from home' for families of children being treated at Levine Children's Hospital. The house provides not only a comfortable place to rest but also an extended network of support and connection to others going through similar hardships. In return for staying at the House, guests are asked to make a small donation if possible.*

Go to [www.rmholcharlotte.org](http://www.rmholcharlotte.org) for a photo tour.

*Our Rehabilitation program is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) for Inpatient Rehabilitation - Pediatric Specialty Programs. To earn accreditation, we have to demonstrate that our program maintains the highest measurable standards and accountability.*

Pediatric Rehabilitation has been accredited by CARF  
for its Inpatient Rehabilitation Program –  
Pediatric Specialty Programs

Children's  
Hospital  
Our world revolves around children.

*We see children do amazing things...*

*Again...*

*And again...*

*Every week...*

*Every day ...*

*Every hour...*

*Thank you for giving us the opportunity to add our healing touch to your child's life!*
