

### **DONATION WISH LIST**

At Levine Children's Hospital our pediatric patients receive quality medical treatment and family centered care. However, the children and families that come to our hospital have other needs that generous individuals and organizations throughout the Carolinas help us meet.

Your gifts of time, talent and toys are simple ways to help brighten a child's day. This list offers suggestions for items that you or your organization can make or buy to donate to the pediatric patients at Levine Children's Hospital on the campus of Carolinas Medical Center.

If you have any questions or concerns about any of these suggestions or would like to know our greatest needs at the time, please call 704-381-3257.

### **VERY IMPORTANT**

1. Due to our infection control policy, all toys must be new and easy to sanitize.
2. The patient population includes many infants and toddlers. Please avoid toys that have small choke-able pieces, sharp pieces, or fall apart easily.
